Not Independent

We are not independent, impartial, or unbiased as we receive stamping fees on new listed investments and commissions on previously implemented personal risk insurance policies. We will not receive risk insurance commissions on any future policies.

Our services

We are authorised to provide personal advice and dealing services in the following areas:

- Superannuation including SMSF
- Retirement planning
- Portfolio management
- Managed investments
- Securities (direct shares)
- Margin lending facilities
- Personal risk insurance

Except that Will is not authorised to provide advice on margin lending facilities.

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

We will provide you with a Product Disclosure Statement (PDS) where we recommend a financial product other than securities. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

**MACKAY
PRIVATE**

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice, it will be documented in a Record of Advice (RoA) which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Fees

Initial Advice Fees

Our initial advice fees include meeting with you, the time we take to determine our advice and the production of the SoA. They will be based on the scope and complexity of advice provided to you. We will agree the fee with you before providing you with advice.

If you decide to proceed with our advice, we may charge an implementation fee for the time we spend assisting you with implementation. We will let you know what the fee will be in the SoA.

Annual Advice Fees

Our annual fees depend on the services that we provide to you. They may be a percentage of your account balance or an agreed fixed fee. They are paid monthly. Our services and fees will be set out in an agreement with you.

We may also charge additional fees on each share trade that we advise you on. These will be explained when we provide you with the advice.

Stamping Fees

We may receive one-off stamping fees where you invest in some listed investments (eg bank issued hybrids and IPO's). These will be paid by the issuer of the investment and will typically be a set % of the investment amount.

Insurance Commissions

We receive a recurring commission payment on personal risk insurance policies that have been previously implemented. We will not receive commissions on any future policies.

Other Benefits

We may receive other benefits from product providers such as training, meals and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Adviser Remuneration

Samuel and Will are the owners of the practice and are remunerated through the profits of the practice.
